

REMARKS

Entry of this amendment is respectfully requested and is believed appropriate under 37 CFR §1.48.

The amendment to correct inventorship is required because an Election was filed on July 21, 2003 deleting claims from the parent application. All deleted claims were then subsequently re-submitted in the present divisional application. Thomas G. Kenny, an inventor in the parent application, was not a contributor to the pending claims of the present divisional application.

The title has also been amended to reflect the division of claims from the parent application into separate applications.

The appropriate processing fee under 37 CFR §1.17(i) is included herewith.

Should there be any questions regarding the proposed amended inventorship listing, a telephone interview is respectfully requested to resolve such issues.

Respectfully submitted,

LAHIVE & COCKFIELD, LLP
